When Amber Heard first accused Depp of abuse, feminists cheered on her and offended Depp. When the truth of HIM being abused by HER was revealed, the same feminists kept silent.

The same can happen to EVERY man.

- Do not justify females' criminal actions.**
- Do not take the blame for any woman.**
- Do not treat any woman leniently.**
- Do not put any woman on a pedestal.**
- Do not take any woman's claims for granted.**
- Do not believe any lies about other men.**

MAKE WOMEN FEEL THE RESPONSIBILITY.
